

# Salt Spray Test Machine

Inspection Equipment / SC-1F3E15A3CC91

PRODUCT OVERVIEW

Salt Spray Test Machine supplied for professional composite manufacturing and project-specific industrial applications.

CONFIGURATION DATA

|                         |                                                                        |
|-------------------------|------------------------------------------------------------------------|
| MATERIAL FAMILY         | Composite solution                                                     |
| SUPPLY FORM             | Equipment                                                              |
| DIMENSIONS / TOLERANCES | Configured to project requirements in SI / metric units                |
| TECHNICAL DOCUMENTATION | Lot- and configuration-specific documentation available with quotation |
| AVAILABILITY            | Made to order / project supply                                         |

DOCUMENTATION & COMPLIANCE

ISO, REACH, RoHS and material certificates are confirmed per selected grade, manufacturer, lot and intended application.
